NOTES

- These styles are only available in South Haven fabrics.
- Optional power mechanisms allow you to smoothly recline to any position with the touch of a button.
- Optional power headrest mechanisms allow you to adjust the headrests with the touch of a button. Two power buttons allow you to operate the reclining and headrest mechanisms independently. A single USB port is included on each power button control on styles with arms.
- The straight console features two cup holders.
- Removable backs allow for easy lifting and maneuvering through doorways.

Optional USB Ports

An optional dual USB port is available on power styles with arms.

Optional Home Button

An optional Home button is available on power headrest styles with arms. The Home button returns the headrest and footrest to their original positions.

Sectional Interlocking Brackets

Interlocking brackets securely attach one sectional component to another to prevent them from separating even when reclining.
