### Notes
- The power mechanism allows you to smoothly recline to any position with the touch of a button. The power buttons (except on the 604P) feature a dual USB charging station.
- The glider recliner allows you to either glide or recline. For your safety, the glider feature self-locks while reclining.
- The 1339-604P console features two lighted cup holders and a storage compartment.
- This style features a zero wall proximity mechanism to allow you to open and recline in any position with the recliner positioned only inches away from the wall.
- This style’s pieces feature removable backs. This makes the pieces easier to carry and maneuver through doorways.
